ASUNTO: SOLICITUD DEL INSTITUTO DE ACCESO A LA INFORMACIÓN PÚBLICA
Resolución N° SO-131-2021

FECHA: 20- MAYO- 2021

Se remite respuesta al Memorándum UAUF-166-2021 de fecha 18 de mayo del 2021, siguiendo instrucciones del Departamento de Asesoría Legal según Memorándum DAL 364/2021 en el cual se indica que existe ordenanza del INSTITUTO DE ACCESO A LA INFORMACIÓN PÚBLICA según Resolución N°SO-131-2021, la cual en su parte resolutive indica que debe atenderse la solicitud de información del Señor Ruy Díaz Díaz en la que solicita:

“Listado de las 1692 Instituciones Educativas Privadas y Deuda Contraída (Capital e Intereses) con el INPREMA a noviembre, 2020 beneficiadas por el Decreto Legislativo 18-2020.”

Conforme a lo solicitado, el Departamento de Cobros se pronuncia en los siguientes términos:

1. Se proporciona a la Unidad de Cumplimiento y Atención al Usuario Financiero la información solicitada conforme al Memorándum UAUF-166-2021, Memorándum DAL 364/2021 y Resolución N° SO-131-2021. La información contiene el listado de Centros Educativos Privados que podrán beneficiarse del Decreto Legislativo 18-2020 si presentan su solicitud al INPREMA conforme a los requisitos definidos en el procedimiento autorizado por el Directorio de Especialistas para tal fin. (Ver Anexo 1, 16 folios).
2. Las cifras descritas en el listado del Anexo 1, son estimaciones de Mora conforme a última planilla pagada por cada Centro Educativo Privado, según cálculos estimados por Depto. de Actuaría. Es importante mencionar que las cifras reales se conocen hasta que el Centro Educativo Privado proporciona al INPREMA las planillas reales de los docentes que han laborado en el sector educativo en los períodos de funcionamiento autorizados por la Secretaría de Educación, para lo cual el INPREMA a través de sus áreas realiza una revisión de las planillas recibidas y conforme a ello emite un Estado de Cuenta de la mora real.
3. A la fecha existen Centros Educativos Privados del listado descrito que ya no se encuentran en mora, ya sea porque realizaron sus pagos adhiriéndose a la Amnistía o porque se postearon comprobantes de pago que no habían entregado al INPREMA para su aplicación a través del Departamento de Operaciones.

Se adjunta Anexo 1 que contiene 16 folios.

Cualquier otra consulta, el Departamento de Cobros queda a sus órdenes.

Atentamente,

Cc/ Dpto. Cobros
